St Augustine Girls' High School Lower Six Crime Prevention Petition

Dear Well-Wisher,

The people of Trinidad and Tobago have been silent for long enough. No longer will we sit back and allow this plague upon our nation to consume that which the honest, hardworking citizens of this country have earned. Kidnappings, murders and rapes are escalating in number and not enough is being done to curb these cancers on our society.

The Lower Six body of St Augustine Girls' High School presents this petition to alert you that we are very much awake and very much aware of the degradation of our country's security, peace and reputation. This is a call for all concerned and informed citizens of Trinidad and Tobago to herald their stance against crime.

The future of the nation lies in stepping forward and demanding the safe return of our country. Criminal activity must be stopped to ensure a prosperous and peaceful future for Trinidad and Tobago. To secure this future, this petition will be circulated throughout schools in Trinidad and Tobago. Upon completion it will be copied and presented to various government officials including His Excellency, The President of

Trinidad and Tobago and the Honourable Minister of Education. Please sign our petition to show YOUR support.

Yours respectfully
