ST AUGUSTINE GIRLS' HIGH SCHOOL

EVANS STREET, CUREPE.

15th June 2005

Dear Friend,

We at St Augustine Girls' High School celebrate our 55th Anniversary on 19th September 2005. We take this opportunity to share with you what's happening at SAGHS.

While there have been several changes since you left we have maintained the culture and traditions of the school that you know. The vision for the school formalized by Dr Wagar in 1954 is still relevant and we have used it to instruct our mission for the 21st Century.

A most exciting development is the launch of our Website at <http://saghs.edu.tt> . This site includes an ALUMNAE link and we are very pleased to invite your input. Information to be posted on the Alumnae web page can be sent to sherell_bachoo@yahoo.com or a soft copy can be dropped off at the school. All documents must be prepared in MS Word. We hope that our website will link all members of the SAGHS family. Your younger sisters, I am sure, will love to hear from you.

We feel confident that with the support of our Alumnae, our beloved school can continue to provide an excellent education to the girls of our community. Please keep in touch.

Sincerely,

Kathleen Anderson (Class of 1968)

Principal
