I'm **Kathleen Anderson** (nee Sammy) Principal at St Augustine Girls' High School, my Alma Mater.

Qualifications

- BSc (1st Class Honours) Mathematics & Physics, U.W.I. St Augustine.
- Dip. Ed., U.W.I. Mona
- Ex-Dip. School Management and Leadership, U.W.I. – I.O.B.
- Certificate in Mediation – Dispute Resolution Centre

I believe that every child can excel if we take the time to discover his or her strengths. I strive to be a facilitative leader and reflective practitioner.

Before joining the staff at SAGHS I taught Physics and Mathematics at CIC (2 years) and

then at Hillview College (19 years). I enjoy working with young people and admire their interesting and innovative ways of viewing life and their world.
